

*"The task of leadership is not to put greatness into people, but to elicit it, for the greatness is there already".*

- John Buchan

Dear Parents,

Dussehra and Deepavali Greetings to all!

It has been an exciting and joyous month at Indus Junior School which was action-packed! The students were seen becoming more confident as individuals and the various opportunities have provided them with a great platform to exhibit their talent.

### Highlights

This month is quite a special month for Indus International School Hyderabad as we have been ranked the 7th Best International School in the country. This is truly a wonderful and very commendable achievement for us.

### Teachers Day

September was a month to remember and honour our teachers.

Teachers play a very important role in making the world a better place to live in. They not only educate children, but also help them turn into responsible adults. Without them, none of us would have been able to reach the place in our life as well as career which we hold today.

A Special assembly was held on the 5th of September at our school to honour our school teachers. Our children surprised their teachers by entertaining them with songs, dance and a parade where the senior children of the school limited every teacher in school. Parents also volunteered to surprise the teachers by organizing games for them. The wonderful speech and the beautiful song sung by the parent volunteers truly touched our hearts.

### DEAR (Drop Everything And Read) Week

Reading empowers one through knowledge. At Indus, we introduce and promote the culture of books and reading, which shapes the children's skills in linguistic development.

On the 15th of September, we held our Book fair which showcased a number of academic support books such as fiction, pictorial story books, activity, nonfiction, puzzles and reference books for children up to the age of 6 years.

We appreciate all those parents who have volunteered and come forward to conduct reading and story sessions for our children.

'Favourite Book Character Day' was observed on the 16th of September and it was a wonderful sight to see the children dressed in costumes relating to various characters in stories and fairy tales. They also recalled the names of these characters and were excited to share it with their friends and teachers. The teachers were also seen dressed up according to their favourite book character.

### End-of-Unit Celebrations

The children of Nursery PP2 shared with their parents their valuable experiences on completion of the second Unit of Inquiry. We, at Indus, are committed towards the overall development of your child. Therefore the children's learning surpasses the mastery of the subjects and encourages critical thinking, communication skills, collaboration and technological literacy.

We thank you for your presence and time spent in making it to the school to have a glimpse of the work done by the children.

### Parent- Teacher meeting

Parents are our partners in Education. Our aim is to develop relationships among the parents, children and teachers, focusing on warm and mutually helpful interactions. The children's Progress reports were sent online to all our parents on 24th September and the PTM for the 1st term was held on 27th September. I am sure you have had an opportunity to review the progress of your child. Parent involvement is a valued part of the child's school experience. Thank you all for your positive feedback. We look forward to your continued support and participation.

## Upcoming Events- October:

1 October : Indian Traditional Dress-up day

2 - 6 October : Dussehra Break

21 October : Art Day

22 - 26 October : Diwali Break

The month of October is certainly going to be a very festive one. Wish you all a joyous Dussehra and a happy Deepavali in advance!

Warm Regards,

**Mukta Khurana**
